Additional Lyrics

2. With you I'm not a Fascist. Can't play you like a toy. And when I need to dominate, You're not my httle boy. You see that I am hungry For a life of understanding, And you forgive my angry little heart When she's demanding. You bring me to my knees, While I'm scratching out the eyes Of a world I want to conquer And deliver and despise. And right while I'm standing there. I suddenly begin to care, And understand that there could be A person that loves me.
